Appreciation Letter for Organizing Our Company Annual Dinner , Mandarin Oriental KL on 26 November 2011

We are glad and very grateful that our Company Annual Dinner was a great success. You and your teams have done a great job to make the event so extremely well organized and smooth.

Your professional services and help had made our Annual Dinner a great memorable event. All our guests enjoyed the entertainments throughout the events and had a wonderful night.

The success of the event is very much due to the professional and smooth organization, Professional Emcee, Good Entertainments & Programs. Thus, you have done a great job.
